WHO?

Founded in 2007 by Liz Harrison, Mpeople Recruitment is a team of specialised recruiters with extensive experience in the industry, all working towards the same goal. Making the perfect match.

Understanding the human element is fundamental to the success of a perfect recruitment match, a fact often overlooked by recruitment agencies. Our approach is proactive and collaborative. We work with all parties on an individual basis to ensure we are facilitating a partnership that will encourage long-term growth and prosperity.
